Celebrate Anton Bruckner's birthday

A festival for the whole of Upper Austria: On the occasion of Anton Bruckner's 200th birthday, Linz and the whole of Upper Austria are celebrating Anton Bruckner with the OÖ KulturEXPO. In the forest, at concerts, theatres or in churches, on swings, in town squares, in streets carrying Bruckner's name or virtual areas, the whole state – especially the 35 Bruckner locations – will become a contemporary stage for people big and small, music enthusiasts, travellers, strollers, Bruckner nerds, those thirsty for knowledge or who love the unexpected.

Anton Bruckner is a true personality, familiar and yet unknown, multifaceted with some elements of surprise: The composer and Linz, his place of activity, therefore have a great deal in common. Through this city and its surroundings with Ansfelden and St. Florian, the musician and composer is revealed in all his facets.
